

e du-tive

Technologically the
most **advanced** and **highly**
INTEGRATED SCHOOL QUALITY
MANAGEMENT SYSTEM you will ever need

Edu-tive's #ISQMS Framework

Why **Edu-tive**

We hail from the world of K-12 education - Pre KG to Grade 12- with deep dive expertise in running K-12 schools.

- We know that your K-12 is unique in its own ways and therefore needs unique solutions.
- We understand your needs in granular detail and customize the platform to meet and exceed your needs.

What does **#ISQMS** do?

- Galvanises your processes, practices, and people
- Aligns all stakeholders to the vision and values of the Promoters
- Allows Full Flow of Creativity in the TLP
- Gets Your School Future-ready

#ISQMS Advantages

- 100% compliance with NEP 2020 and your Board
- Pre-loaded Meta data for Easy Jump Start
- Early Alerts and automated Escalation for Prompt Resolution
- Improved Working Environment
- Continuity and Contingency Management
- Enhanced Productivity and Process Efficiencies
- Future-facing, Data-driven
- Save 15-30% of Teachers' time spent on administrative work

Scholastic Performance

Aadhya Ganesh/Term - I/Cycle Test -1

Subjects	Score	Max Score
Mathematics	85.78	100
Kannada II lang	91.59	100
French II lang	83.61	100
English	69.03	100
Computer	87.86	100
Science	80.00	100
Social Studies	96.18	100
Total	614.85	700

Flexible & Adaptable to your needs

- **Customisable** to suit your specific and individual requirements
- **Non-intrusive Design** to easily integrate your existing set of software to keep your overall cost of adaption minimal and comfort levels higher

Lower Costs and Higher Efficiency

- Retrofit your existing software without replacing them
- Keep your costs lower and comfort-levels higher

Insightful and Actionable Reports

- Derive better meaning out of your data, enhance the quality and speed of your constituents' decision-making capabilities
- Create reports the way you would like to view rather than be bounded by a particular inane view forced by the particular IT solutions.

Frictionless **Cohesive Teams**

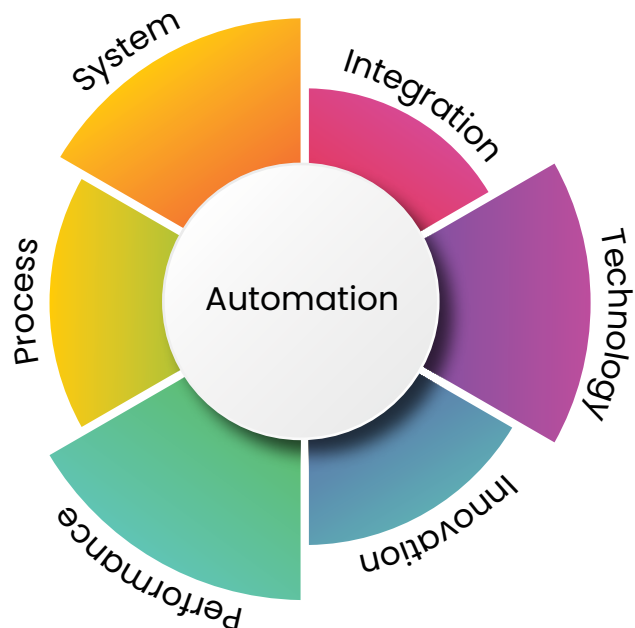

- Seamlessly connect all functions and segments of your school – *Academics, Academic Administration, Finance, HR and General Administration*
- Ensure that relevant data are made available at the point of use, on real-time basis.
- Build strong networking between the departments and reduce inter-team friction and efforts in coordination

Learning **Management**

- Create, collaborate and share Lesson Plans
- Lesson Plan reflection and review
- Support to all forms of digital learning material
- Class observation and review
- Manage physical, online and blended classes
- Manage worksheets and assignments

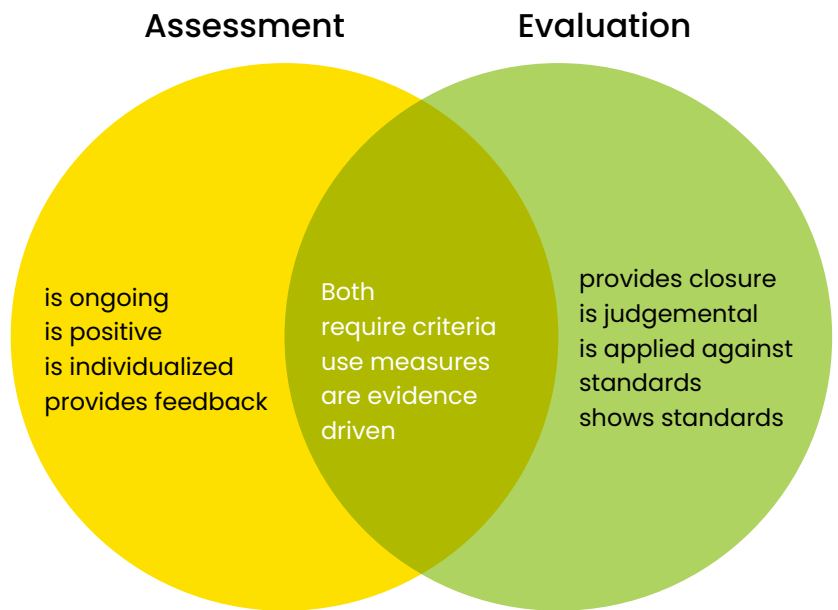

System-driven
Not people
dependent

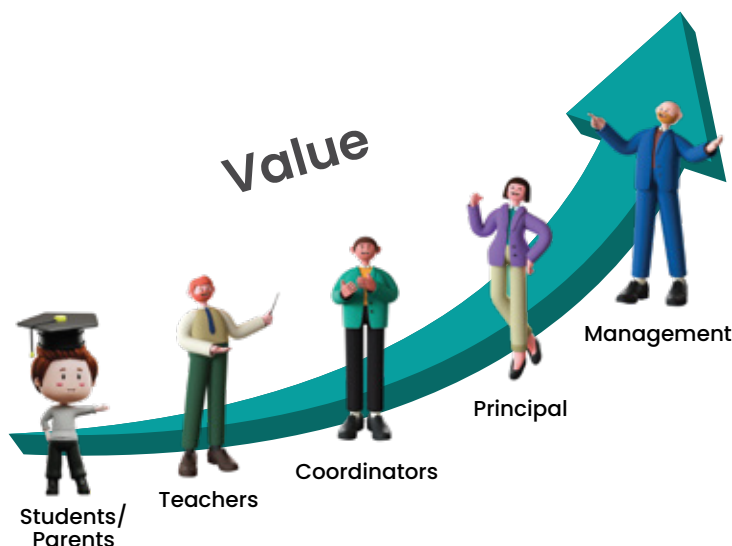

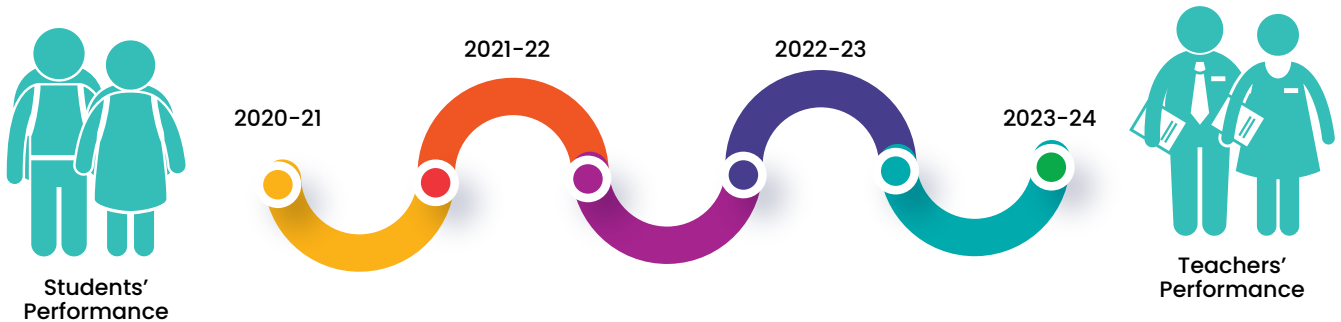

Anytime Assessments

- Configurable Assessments - Self, Peer, School and Parent Assessment
- Map scholastics and co-scholastic assessments to report cards
- Manage and collaborate Question Bank repository
- Manage online assessment
- Goal Setting

Digital Portfolio

- Longitudinal Performance Views
- Tracked over entire life-cycle in the school

Enhanced Value for Every Stakeholder

We're **NOT Another Ed-tech** because:

We understand your needs

We make your school smart, agile and resilient

We seamlessly integrate all your school management processes

We translate your ethos into visible and sustained actions

We enable you to capture data in real-time

We give your school Global Perspective with Local Relevance

Founders of edu-tive are an eclectic mix of educationists, academicians and technologists with deep-dive expertise, experience and passion in these twin fields.
